

# JOB ANNOUNCEMENT

## Public Health District Director

### South Central District Health, Twin Falls, Idaho

*Outdoor recreational opportunities abound in south central Idaho.*

#### POSITION

South Central District Health is recruiting for the position of District Director. This position resides in Twin Falls, ID, reports to the Board of Health and directs an eight county health district. The Director oversees six offices, 90 employees, and a budget totaling over \$6 million dollars. The candidate will be expected to work closely with elected officials, community leaders, health care providers, and other state and local agencies. The Director oversees the management of programs such as environmental health, health promotion, nutrition and preventive clinical services, and public health preparedness. The Director assures the provision of all essential public health services. A full description of the District can be viewed at [www.phd5.idaho.gov](http://www.phd5.idaho.gov). Information about the area can be found at [www.twinfallschamber.com](http://www.twinfallschamber.com).

#### CANDIDATE REQUIREMENTS

The candidate must document education and experience in:

- visionary leadership, including a strong public health administration background
- communication, including strong verbal, written, and information technology skills
- information management, including health and financial data analysis
- assessment, planning, and evaluation, including quality improvement
- partnership and collaboration, including working effectively with diverse populations
- systems thinking, including future-oriented problem solving and decision making
- strong knowledge and experience in the science of public health through promotion of health and prevention of disease, including epidemiology of communicable disease.

*Sun Valley, a world-class all-season resort, is just 80 minutes from Twin Falls.*

Preference will be given to candidates with advanced degrees in a public health or public administration related field. A criminal and credit background check will be required. Successful candidate will be required to obtain an Idaho driver's license.

*Shoshone Falls, known as the Niagara of the West, is located just outside Twin Falls.*

#### SALARY AND BENEFITS

Salary is negotiable but must fall within the established pay range of \$60,000 and \$100,000. The position is covered by the benefits of the State of Idaho Division of Human Resources. These benefits include group health, life, dental, and vision insurance; PERSI retirement; and deferred compensation (457) and savings options.

#### APPLICATION PROCESS — CLOSING DATE: AUGUST 11, 2006

This position is exempt from classified state service and the rules of the Division of Human Resources and the Idaho Personnel Commission. If you meet the qualifications and believe that you possess the candidate profile, submit a comprehensive resume, salary history, five references (references will not be contacted until mutual interest is determined), and a letter explaining how you meet the profile to:
